

Ensign Global College is situated along the banks of the Volta River in the Eastern Region approximately 50 miles northeast of Accra. The campus boasts state-of-the-art facilities including a conference center, classrooms, a computer lab, and an auditorium along with peaceful outdoor space.

The campus has both single and double-occupancy guest accommodations. Each room is equipped with either a full-sized bed or two twin beds, a desk, an in-suite bathroom and shower, and air conditioning. In addition to accommodations, Ensign Global has onsite food services that partner with local farmers to create one-of-a kind meals for students and visitors.
